

REMARKS

Claim 62 is pending in this application. In reply to the Notice of Drawing Inconsistency with Specification (Notice), the specification is amended.

In particular, the Notice indicates that Figure 45I is listed in the Brief Description of the Drawings in the specification, but is not "contained in the Drawings." By this Amendment, the specification is amended to cancel Figure 45I from the Brief Description of the Drawings.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
